Use Howard's Buttermilk Cream For Sunburn, Tan and Freckles

Tells all good drug and department stores not to take any one's money unless this delightful new vanishing cream quickly shows a decided improvement. Try it today at our expense.

The first application of Howard's Buttermilk Cream will astonish you. It creates beauty almost like magic. The most wonderful thing about it is the fact that whilst it turns the dustiest, most lifeless complexion to radiant beauty and makes red or rough hands or arms snowy white, yet there is not the slightest sign of its use after application. It actually vanishes from sight and the most heated atmosphere will not produce the least shininess or greasiness of the skin.

No matter whether you are troubled with a poor complexion, wrinkles, puffiness around the eyes, freckles, crows feet or lines around the mouth, sagging finger nails, or just a simple roughness of the face, hands or arms caused by wind or sun, you will find that any or all of these troubles will quickly disappear with the use of Howard's Buttermilk Cream.

To prove this to your complete satisfaction, get a small quantity today at People's Drug Stores with the understanding that they will freely return the purchase money to any dissatisfied user.

Beautiful actress says, "A short massage with Buttermilk Cream at night before retiring is all that is necessary."

GIRL SCOUTS GIVEN MEDALS BY QUEEN

Twenty girl Scouts of Washington today are boasting the distinction not only of possessing the golden Eaglet medal, the highest honor that can be conferred upon scouts, but also of having chatted with a real queen. The girls were presented their medals yesterday afternoon by the Queen of Belgium at simple exercises at the residence of Assistant Secretary of State Long.

Twenty-three Washington girls were qualified to receive the medals, but three of them were unable to attend, as they now are out of the city at boarding schools. Washington, in possessing twenty-three golden Eaglet girls, holds a unique place among the cities of the country; for outside of the Washington medals, only six or eight Eaglet medals have ever been awarded in the entire remainder of the country.

The presentation ceremony was held on the first floor of the Long mansion. First, the girls were presented to Mrs. Newton D. Baker, wife of the Secretary of War and one of the councilors of the local Girl Scouts' Association, who arranged the ceremony. The Queen came downstairs, and Mrs. Harry A. Coleman, director of the Girl Scouts' Association, was presented to her by Mrs. Baker.

Among the Girl Scouts honored yesterday were Capt. Alma Barker, of 302 S street northeast; George Washington University student and winner of sixteen merit badges; Mrs. Josephine Pyles, wife of Dr. Pyles, of 910 Eighth street northwest, holder of a troop; Miss Elizabeth Dubois Bach, director of the department of domestic science at Central High School and captain of a troop, living at 2501 Fourteenth street northwest; Lieutenant Della Damon, of 60 W street northwest, first Girl Scout in the United States to receive the Eaglet medal; Ruth Colman, of 1417 Buchanan street, who possesses twenty-three merit badges; and who in addition to being lieutenant of Troop 9, is also acting captain of Troop 47; Agnes McElroy, of 702 Randolph street northwest, holder of twenty-three merit badges; Mary McElroy, of the same address, winner of eighteen badges, and only thirteen years old; Bernice Valey, of 8814 Fifth street northwest; George Washington University student and holder of fifteen badges; Edna Valey, of the same address, winner of sixteen badges; Kathryn Drissel, of 3813 Fifth street northwest, winner of eighteen badges; Elaine Armand, of 2520 Hall place northwest, winner of fifteen badges; Mary Barr, of 1817 First street northwest, winner of twenty badges; Eugenia Clement, of 2502 Hamlin street northeast, member of Troop 58 and winner of twenty-one badges; Helen Fuller, who is attending boarding school in North Dakota; Minnie Hill, of 1620 Eighteenth street northwest, winner of nineteen badges; Nell Hiscoc, of 1234 Newton street northeast, winner of sixteen badges; Dorothy Holt, of 1428 R street northwest, winner of seventeen badges; Margaret Johnson, winner of fifteen badges, who is now attending boarding school; Lillian and Myrtle Lewton, of 115 Chestnut avenue, Takoma Park; Aletta Phillips, of 1745 First street northwest, who was unable to be present; Alice Skeels, of 210 Holly avenue, Takoma Park; and Emily Thour, of 748 Eleventh street northeast, George Washington University Student.

DOUBLE TRAGEDY NEAR DAMASCUS

ROCKVILLE, Md., Oct. 31.—What is believed to have been a slaying and suicide caused the death at their home near Purdum, this county, about 10 o'clock yesterday morning, of John W. Brown, a well-known farmer of Damascus district, and Mrs. Brown.

Lying side by side in a summer kitchen at their home, their bodies were found by the couple's little grandson upon his return from an errand. A bullet wound in Mrs. Brown's back and a similar wound in Brown's chest told how they met their death. It is believed Brown shot his wife and then turned the weapon on himself. Brown was seventy years old and his wife several years his junior.

What prompted the act is not known, but it is believed to have been due to temporary insanity. Work is said Brown had not been exactly himself for some time. A revolver, recently purchased by Brown in Frederick, was the weapon used.

The couple are survived by four sons and four daughters, all of Damascus district. Mrs. Brown, before marriage, was a Miss Burdette, of that section.

2 NEW BUILDINGS TO COST 6 MILLIONS

Two of the largest building projects undertaken in Washington in recent years will be under way next week. They entail an estimated cost of nearly \$6,000,000 and include the building of apartment houses, stores and one of the most up-to-date motion picture theaters in the country.

The theater, stores and a group of other buildings will be erected on the property occupied since 1907 by the Sisters of the Visitation on the block bounded on the west by Connecticut avenue, the north by DeSales street, the east by Seventeenth street and the south by L street. Work of demolishing the brick wall surrounding the property will be started next week.

One block below this location, at Seventeenth and K streets, everything is in readiness for the erection of a bachelor apartment hotel at an estimated cost of \$550,000. It will be an eight-story building, will contain 100 rooms, and will be located on the northeast corner.

The property, which has a frontage on K street of 53½ feet and a depth of 118 feet, was purchased yesterday from William T. Gallibier by Anthony T. Ansberry for a consideration in the neighborhood of \$100,000. The transaction was handled through Mr. J. Boucher, secretary of the Ernest Hall Coddige Company, in connection with Allen E. Walker and the James J. Lampton Company.
